Fléchet

— *A new page
in history*

WHEN HERITAGE
MEETS THE FUTURE
OF FASHION.

Since 1859, Fléchet has stood for exceptional craftsmanship, timeless elegance and a commitment to quality. With the creation of M by Fléchet, the fashion house has opened a new path, offering a bolder, more accessible vision of the hat as a true fashion companion. Today, these two worlds are coming together to write a new page, fusing tradition and modernity, sophistication and freedom.

TOGETHER
FLÉCHET AND
M BY FLÉCHET
SHARE STRONG
VALUES.

Tradition and excellence :
Each product reflects over 160 years of know-how

All our hats are handmade with the utmost care and attention to detail in the finest workshops in France and Europe. Each stage of the manufacturing process is carried out by hand, following the brand's century-old tradition.

We respect several mandatory steps. For the felt : sorting out the raw wool, cleaning of the wool, manufacturing the wool cones, shaping of the hats, the finishing touches, the lining and the inner band. For straw : weaving and shaping. For caps : sewing the fabric, shaping, ironing and finishing.

Sustainability and ethics :
Rigorous selection of materials and a commitment to protecting the environment.

Our hats are carefully crafted from the materials best suited to your comfort. Whether they are made of straw, cotton or linen for summer, Merino wool, Donegal, Harris Tweed, Cashmere, fur felt or leather for winter, our hats provide the optimum protection against the bad weather or the sunrays.

At Fléchet all our hats are made in Europe, we are committed to reducing our carbon footprint and supporting local economies. Our head office is based in Loudun in France and offers centralised distribution allowing easy access to the whole country. We are committed to maintaining stocks so that our partners can order and restock throughout the year. With the aim of minimizing our impact on the environment and protecting and respecting nature, our team selects natural fibres such as virgin wool, organic cottons or natural dyes.

Creativity and accessibility :

A diversity of styles, for everyone, at any time.

THIS REVIVAL
COMBINES TIMELESS
ELEGANCE WITH
CONTEMPORARY
ENERGY, MAKING
EVERY HAT A SYMBOL
OF STYLE AND
CHARACTER.

With this fusion, Fléchet affirms its ambition: to be at your side for every moment, every season, every story. Much more than an accessory, our hats become witnesses to your moments, a reflection of your personality and the echo of a long-lasting heritage.

A true British institution, Harris Tweed comes in a variety of patterns and colours, and is renowned for its resilience in all weather conditions. It is an unrivalled material for warmth and comfort.

FLHH199 (colour : brick)

Harris Tweed wool is governed by the British Act of 1893. This has been revised over the years as production methods have evolved. To qualify as Harris Tweed, the wool must be pure new wool that is dyed and spun in the Outer Hebrides of Scotland.

TIMELESS

Drawing on the great tradition of hat-making, these iconic designs embody Fléchet elegance since 1859, with their character rooted in the history of the bowler hat and top hat. Their sculptural appearance and striking presence give them a unique, almost theatrical allure. Crafted from exceptional materials such as fur felt and extra-fine wool, they boast a remarkably soft texture and subtle luminosity. Manufactured to exacting standards in our European workshops, these hats embody masterful craftsmanship and retain their elegance over time.

Le Chazelles

— *Fléchet brand,*
The elegance
since 1859

FLHH75 (colour: french blue)

This iconic hat with its incredible silkiness is ultra-light, supple and foldable : with a few simple gestures, you'll be able to fold it up for travel and smooth it out for wear. The Chazelles is a robust roll up hat you can modify to your liking and give it the style of your choosing.

FLHH75 

Chazelles rollable hat
100% rabbit fur felt

Colours : black, navy, mink, green, almond, terracotta, orange, strawberry, natural, french blue

Sizes : 55 → 62

The Chazelles is very malleable roll up hat, you can modify it to your liking and give it the style of your choice.

To shape the cap, place one hand inside and smooth the felt to obtain a beautiful and regular bell shape.

With the edge of your hand, push the cap along its natural fold, more or less depending on the style you want.

Pinch the cap on each side of the crease on the front and back for a « Canadian » look.

To shape the edges, start by smoothing the felt with the flat of your fingers.

Gently tilt the edges up, down, front and back.
